**Subscription Price** (Volumes 67–71, 2000): $3495.00 in US, $3775.00 in Canada and Mexico, $4013.00 outside North America. All subscriptions outside US will be sent by air. Personal rate: $575.00 in US, and $743.00 outside North America. *Combinatorial Chemistry* section personal rate: $145.00 in US, and $169.00 outside North America. Subscriptions at the personal rate are available to individuals. Payment must be made in US dollars drawn on a US bank. Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label. Missing copies will be supplied when losses have been sustained in transit and where reserve stock permits. Please allow four weeks for processing a change of address. For subscription inquiries, please call (212) 850-6645.
